

AS350-B3 Position Strobe lights installation kit

Option B: WHELEN LED lights

Option A: AVEO
ENGINEERING LED lights

Description

Swiss Helicopter Engineering has developed and certified in cooperation with Swiss Helicopter Maintenance (www.shm-ag.ch) a Position Strobe Lighting system. The system includes the installation of the Aveo Engineering OR Whelen strobe lights coupled with its connection to the cockpit console. The LED based strobe system has been designed to improve visibility, reduce power consumption and extend life with respect to the original incandescent non-strobe solution.
